

Our Mission

The Tennessee Colleges of Applied Technology continue to serve as the premier providers for workforce development throughout the State of Tennessee. The colleges fulfill the mission by:

- Providing competency-based training through various types of instructional delivery systems of the highest quality that will qualify individuals for employment and/or advancement in jobs.
- Providing high quality training and retraining of employed workers.
- Providing high quality training that is economical and accessible to all residents of Tennessee, thereby contributing to the economic and community development of the communities we serve.

ONLINE DIETARY MANAGER TRAINING PROGRAM

**TENNESSEE COLLEGE
OF APPLIED TECHNOLOGY**
—ELIZABETHTON—

ONLINE DIETARY MANAGER TRAINING PROGRAM

C.I.P. Code 51.3104

The Tennessee College of Applied Technology Elizabethton is offering an online Dietary Manager Training Program, approved by the Association of Nutrition & Foodservice Professionals (ANFP), which can be completed in eight months.

The program is designed to prepare graduates for the National Credentialing Exam to become a Certified Dietary Manager. The exam is administered by Applied Measurement Professionals. Students are eligible for pre-professional membership in ANFP.

Dietary Managers work with Registered Dietitians to provide quality nutritional care for patients/residents. They are involved in food procurement service, sanitation, food and safety, as well as administrative/personnel management.

Registration will be ongoing. An application for admission to the program may be submitted online. The application and instructions may be found on the school's website, www.tcatelizabethton.edu. From the Home Page, select programs, then online courses, and then scroll down to the Online Dietary Manager Training Program.

DESCRIPTION

The program consists of 714 web-based hours and 150 hours of field-training experience.
