

TENNESSEE COLLEGE OF APPLIED TECHNOLOGY

ELIZABETHTON

Landscape and Outside Maintenance

Landscape and Outside Maintenance will report directly to the President.

General Duties:

Landscape and Outside Maintenance shall be responsible for, but not limited to, the following duties:

- Cut, trim, edge all grounds and campuses.
- Weed control, mulching, and updating of all landscape beds.
- Trim all shrubbery and/or trees as needed or requested.
- Planting shrubs and other plants as needed or requested.
- Water lawns and landscape as needed or requested.
- Pressure wash parking lots, sidewalks, brick flower beds, etc.
- Trash and debris pick up of all campuses.
- Implement a fertilization schedule of grounds.
- Maintain and service all mowing equipment and/or work with instructors on servicing.
- General maintenance repair outside and inside, if needed.
- Cleaning inside of facilities when weather prohibits outside landscape work.
- As requested, run errands, or perform other needed tasks as requested by the President or Vice-Presidents.
- Other duties as assigned.

For applications to be considered, they must be submitted through the PageUp system which is located at <https://careers.tbr.edu/>
