

# TENNESSEE COLLEGE OF APPLIED TECHNOLOGY

ELIZABETHTON

## PHLEBOTOMY PROGRAM

### DESCRIPTION

The Phlebotomy Technician Certificate includes theory and hands-on instruction during a full trimester. Individuals interested in starting a career in the medical field, prospective patient care technicians, current nurses, or to enhance person skills may benefit from this program. This is a comprehensive 432 clock hour course including labs. This certificate program will assist students in preparing for the phlebotomy certification exam. Prerequisites include High School Diploma or equivalent, liability insurance and provide proof of CPR for the Health Care Provider Certification. Students must be at least 18 years of age.

**COURSE OF STUDY** (Hours Shown in Parenthesis) Worker Characteristics (6), Orientation (10), Safety and Infection Control (16), Medical Terminology (12), Phlebotomy Procedures (88), Customer Service and Interpersonal Skills (15), Math and Calculations (8), Anatomy and Physiology (40), Collection Procedures (85), Clinical and Co-Op (152). Total 432 clock hours
