STEP 2 – Students will be required to obtain their test results from their HESI account. Please keep username and password documented as it can be used to access additional products used throughout the program.

STEP 3 – Complete an updated FAFSA online at www.fafsa.gov. This must be completed before any financial aid can be considered or awarded. **TCAT school code is 005281.** This must be resubmitted each calendar year. Assistance is available as needed.

STEP 4 – Complete an online application for admission to TCAT Elizabethton found on the college website, www.tcatelizabethton.edu. Be sure to select a campus and start date for Practical Nursing: January/Kingsport; May/Elizabethton; September/Boone's Creek.

STEP 7 – Once the above documents have been received and contact with Student Services is complete, you will be notified of your required orientation session pending seating availability.

STEP 8 – Obtain copies of your immunizations for TCAT admission. This includes MMR (Mumps, Measles and Rubella), Varicella (Chicken Pox) and Hepatitis B. If you were born prior to 1980 a copy of

your driver's license can be used for your Varicella. If you were born prior to 1957 you do not have to provide a copy of your MMR. If you cannot provide these vaccinations, you may submit results from a titer lab result.

STEP 9 – You will be REQUIRED to apply for a CRIMINAL BACKGROUND CHECK AND DRUG SCREENING. Cost of the background check, which is paid to Truescreen, is estimated at \$100.00 for both. Instructions will be discussed at Practical Nursing Orientation.

STEP 10 – Print the Physical Exam Form from the website for completion by a health care provider. The physical form, including additional immunization documentation, can be found on the school website under the Practical Nursing tab. This is the **ONLY** form that is accepted for documentation of your physical. Physical job requirements for Practical Nursing are available for your review on the school website under the Practical Nursing tab.

STEP 11 – Document required immunizations on the physical form above. PLEASE NOTE: There are additional immunization requirements for the Practical Nursing program in addition to what is required by TCAT for admissions. Review the immunization requirements on the physical form. Take any immunization documents with you to your physical appointment for the provider to complete. A complete blood count (CBC) is also required. Make sure to have this performed at that same visit as it must meet the time requirements.
